

SUCCESSFUL LIVING CENTER

WAIVER AND RELEASE OF LIABILITY RELATING TO COVID-19

The current coronavirus known as COVID-19 has been declared as a world-wide pandemic and is believed to be contagious and spread predominantly by person-to-person contact. Historically, elderly populations are at the highest risk to die from this disease.

Successful Living Center Adult Day Care has implemented Operating Policies and Procedures to reduce the spread of COVID-19 during the reopening of the day care. Although there are many measures in place, the population being served, adults with memory disorders, will not understand the virus and the necessity for our safeguards. I understand that the personal care needed by my loved ones eliminates the ability to social distance. The staff at Successful Living Center will wear masks but participants will not be required to wear masks.

I acknowledge the contagious nature of COVID-19 and the risk that may result from exposure and infection. I voluntarily agree to assume the risk that may result from exposure or infection. I hereby release, covenant not to sue, discharge, and hold harmless Successful Living Center Adult Day Care, its staff, agents, and Board members, of any claims, including liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto.

I have read and understand this document and sign it voluntarily. I also agree to follow the procedures that are the responsibility of the caregivers to help protect all caregivers, clients, and staff.
